I understand the policies stated above and will comply with them. If I leave any items for my pet's enjoyment, I understand and accept that they may be damaged or destroyed by my pet. I also understand that my pet will be left unsupervised with his toys and/or treats and Companion Animal Hospital PC is not responsible for any injuries that may occur. If my pet cannot be left with bedding, I have commented to this effect on the bottom of this page.

Cats are housed in stainless steel kennels.

Dogs are housed in concrete runs with chain link doors that measure 3x6 feet or larger. I also understand that my dog will be left outside in a fenced yard to exercise and go to the bathroom multiple times per day.

I understand that my pet is not supervised 24 hours a day. I realize that my pet is free to move about in his area and is checked on frequently by a staff member.

Companion Animal Hospital is not responsible for any injuries that may occur while boarding.

I accept full responsibility for all charges incurred and that payment is required at time of pickup. This agreement will remain in effect from 1/1/2020 through 12/31/2020.

I authorize the use of this form for all boarding during the year 2020.

### Personal Belongings:

We are not responsible for toys or bedding that is left with your pet. All items brought should be washable. We will make every effort to see that your items are returned in good condition at release. Please have your last name on everything and request the items at pick up.

### Boarding Charges:

**DOGS:** \$16.75/ night      **CATS:** \$13.50 / night

### Flea Prevention:

We ask that your pet is current on flea prevention. Although we do not have a flea problem at our facility, this will insure that no rogue flea has jumped from one animal to another while boarding. This will ensure your pet remains as healthy and comfortable as possible during their stay and protects your home when you pick up.

### Pickup:

Pickup is during normal business hours. It is helpful to call ahead so that we can have your pet ready. All fees must be paid at time of pickup. If you are sending someone else, please send them with a check or call ahead with your credit card information. Be sure to ask for everything you brought along to accompany your cat or dog.

### After-Hours Admit / Release:

A scheduled time can be made for you to pickup or drop off your pet. You will be charged \$30 to pay for the technician to come in on her time off. This service must be paid for at time of drop off.
